An Adventure In Hearts

ROBERT WARWICK
"An Adventure in Hearts"

A story of love and the
secret service, with a soldier
of fortune playing a winning
game.

An old ancestral castle.
Man and wife living in sepa-
rate wings. A mysterious
visitor. An exchange of
clothes. A mistaken iden-
tity—and one of the strang-
est tangles you ever imag-
ined!

ROLAND HILL

CARSELAND NOTES

The regular meeting of the Carse-
land P. B. Club was held in the
Church on Thursday, the 20th, when
owing to the weather there was rather
a small attendance.

In the absence of the president and
secretary, Mrs. H. C. Gardner and Mrs.
I. E. Stinson were appointed pro tem.
An effort to raise the next payment
of \$50.00 on the Piano has resulted in
gathering some forty dollars, including
\$15.00 from the Church choir.

The place of the next meeting will
be announced later.

The Carseland Drug Store has
changed hands with Mr. Lawrie the
new proprietor.

Mr. Lawrie, who hails from Mont-
real has been in Carseland for some
weeks looking for a suitable opening
for business and finally settled down
in Carseland with the Drug Store. We
wish Mr. Lawrie all success in his new
venture.

Mr. and Mrs. Otto Repp who have
been visiting in the south for the
winter have returned and are
staying with Mr. and Mrs. H.
C. Gardner.

Constable Pakenham, of Strath-
more visited Carseland on Saturday
last and succeeded in checking up sev-
eral of the delinquents re 1921 car
licenses.

Mr. Hall Hill left on Monday last
week for Peterboro, Ontario, to be on
hand for the wedding on the 21st. Mr.
Hill spent the last few hurried hours
getting ready the W. W. Brown house
against his return.

Inspector Lizzett, of Strathmore,
paid a visit to the Carseland school
on Monday of this week.

Detective S. E. Wagh, of the Post
Office Department, was in Carseland
on Monday of this week.

A big herd of cattle passed through
Carseland on Sunday and succeeded
in making a mess of several of the
local mud holes.

Farming operations in the Carseland
district are in full swing.

The chicken pox has made its ap-
pearance in our midst with Rev. E.
Bishop as the victim.

CRAIGANTLER NEWS
Seeding started in this district on
April 11th.

Ralph Crane came back last week
after a sojourn with his relatives in
the States during the winter.

Mrs. Jules was the most active
lady at Dr. Griner's sale.

Quite a large party visited John-
son Bros last Sunday in their new
residence. Charlie was in his usual
form and the crowd a good time.

George Day, of Standard, sold his
household effects on Thursday last
and his intentions are to settle in
Victoria B.C. His presence around
Standard will be missed.

J. B. Johnson has hired a house-
keeper for the summer months, but
only in the winter time.

Doctor Griner has rented his farm
and is leaving shortly to practice in
California.

Mr. and Mrs. H. H. Shaw have
moved to Calgary for the summer
months. Mrs. Shaw's health does
not improve very fast.

Prof. Dankworth underwent an op-
eration in Calgary hospital last week.
He is home again and in the best of
health.

George Collins moved on to his
farm on section 22-12 last week.
This farm is known as the "Portage"
and is one of the best in the district.

Alto Pitty, the Government road
man, has been seen around Glen-
elton. He is looking for a crew to start work.
We hope he will start where he left
off last fall.

At Silver in Calgary last week
quite a number passed him, but
knowing him in his Sunday attire.
He says he dresses up once a year.
His best was brought before the war.
(The Spanish-American war) and he
thinks they will last until the price of
cloth goes back to normal.

MRS. H. SCOTT PASSES AWAY

After a lingering illness Mrs.
Harry Scott passed away at her
home on Stone Monday afternoon,
April 22. The funeral took place on
Thursday from the Union Church to
Glenelton cemetery.

The late Mrs. Scott was a native of
Peebles, Scotland, and was a resident
of Glenelton for about twenty
years. Some two years ago she
underwent an operation for cancer in
the stomach and for months the op-
eration appeared to have been completely
successful. However, last November
the development of certain symptoms
led to an examination which confirmed
the fears of her husband and friends.

KEOMA ITEMS

Seeding is in full swing all over the
district and as a large area of the
land is already prepared, good pro-
gress is being made.

The residents north-east of Keoma
have now got the rural telephone in,
and it is very much appreciated by
them.

A large number of the farmers
on the east side are looking for-
ward to the same service this summer.

The roads in the district are rather
wet at present, but the good grades
which have been put in during
the last two years have made a
wonderful change, and it will only be
a case of a few more days, when the
present good weather, when they will
be fine and dry.

Mr. Saunders, head store keeper, at
Kathryn, is now well settled in his
new store, which also contains the
post office and Government telephone.

Mr. and Mrs. Hobbs have gone to
live on their farm north-west of here.
Mr. E. Benson has rented Black-
burn's farm.

Mr. and Mrs. G. Wilson, of Keoma,
have gone on a visit to Red Deer.

At a meeting of the Municipal
Council of Keoma, No. 219, on Monday
April 16th, Frank J. Ewing, Irtisna,
was appointed secretary-treasurer. Mr.
Ewing had previously acted as sec-
retary for the district and is qualified for
his new position.

D. W. McNeil held the position of
secretary-treasurer of Keoma M.D. for
some years from the time it was for-
mally through the efforts of J. G.
Smith, an old resident of the district.

On April 16th the weekly meet-
ing of the Keoma Ladies Aid was
held at the home of Mrs. W. M. Gal-
loway. Mrs. Boucher presided. After
the business affairs had been settled a
brilliant dinner was given to Mrs. E.
Brown (now Mrs. John Wilson).

Many very nice and appropriate
presents were given. Mrs. Galloway
provided a very delightful afternoon tea,
and the meeting ladies of the district
spent a most enjoyable time.

On the 11th inst. what might have
been a very serious wreck occurred on
the C.P.R. just north of Keoma, where
the Calgary-Emery passenger left
the track and ploughed up the ground
for a short distance. The train was
blocked for eighteen hours and a spe-
cial train had to be sent out to ex-
tract the large number of passengers to
continue their journey to Calgary.

Mr. W. M. Galloway, who for several
years has been farming in this district,
recently sold his cattle, horses, and im-
plements, and is retiring his farm to
A. Morton, of Dalry.

The large general store in Keoma,
which was owned by Mr. Franklin, has
recently changed hands, and is now
being run by The Keoma Trading Co.,
and managed by Mr. Gordon.

In February the trustees of the
Keoma school district held their annual
meeting. W. M. Galloway was
re-elected trustee, and D. W. Fowles
who has very ably filled the position of
secretary-treasurer for the last ten
years, resigned. J. S. Ransly will now
be secretary-treasurer. Mrs. W. M.
Neill has charge of the school for a
year.

Mr. William McNeil, a returned vet-
eran, has started a barber shop in
Keoma, and he also has the post office.
The residents of the district will find
every success. Mr. McNeil spent
over three years with the Canadian
forces, and was twice in France; the
last time there he was badly wound-
ed.

George Boyack is to be complimented
on the splendid crop of wheat he
raised here last year. No finer stand
has ever been seen in the district, and
for all its heavy growth on dry land
a yield of thirty-seven bushels result-
ed. George Boyack is a returned
veteran, having been badly wound-
ed, but since his return he has made a
very fine showing on his new farm at
Keoma.

Last Monday, April 11th, Ranby's
of Keoma started seeding wheat on
new breaking.

That the old trouble had reappeared
in the lungs and medical science is
no relief to offer. Notwithstanding ev-
ery cure that the skill of the trained
nurse and the affection of a devoted
husband could provide, she gradually
grew weaker and finally passed away.

She bore her long illness with the
same patient Christian spirit that
marked her whole life, and in death
bequeathed her last sorrowing wishes
and many friends a memory that is
indeed sacred.

Many tokens indicated the respect
and esteem in which deceased was
held, and also sympathy for the
grieved husband. The Masons, of
which order Mr. Scott is a member, at-
tended the funeral in a body. There
was a large attendance at the service
and the beautiful floral offerings not
only blanketed the casket, but filled the
whole rafting of the church platform.

Our deepest sympathy is tendered
to Mr. Scott in the hour of his great
sorrow.

ADVERTISING

A Modern Necessity

ADVERTISING is today one of the greatest
forces at work in our everyday life. Gov-
ernments use it to announce new policies,
to raise money and armies, and to mould public op-
inion. It enables you to judge values, to buy to better
advantage. It influences you in what you wear, eat,
buy and do.

THE CALGARY HERALD is Alberta's largest
and best known advertising medium. It
carries all important announcements—
changes in railroad schedules, local notices, the big
city stores' bargains, the special sales, births and
deaths, a directory of Alberta's professional firms,
auction sales, new legislation, first words of the
new business life, you will find them all in Alberta's
Greatest Daily.

THE HERALD has classified advertising pages
to represent the greatest market place in the
west. Here more buyers and sellers meet
daily than through any other medium, and here
that thousands turn when they want something—
and they save time and money.

In addition to giving you a bigger, better paper,
and more and better news, the Herald carries
all the advertising that is worth while.

Mr. C. W. Chase has purchased a McLaughlin car from Mr. Harold Bell.

Next Sunday will be Rev. Canon Montgomery's last Sunday as the clergyman in charge of the Church of England in Strathmore.

The services will be as follows: 8:30 a.m. Holy Communion. 11 a.m. Matins & Sermon. 3 p.m. Sunday School. 7:30 p.m. Evensong & Sermon.

In leaving Strathmore Canon Montgomery desires to express his regret that he is unable to say goodbye in person to his parishioners and friends in the town and country and desires to thank them for the many kindnesses he and his family have received, and for their hearty cooperation in his work for the Church. Arrangements are being made for regular services in St. Michael's and All Angels' Church being carried on until a new incumbent is appointed.

WE'RE COMING, A UNITED FARMERS' BAND.

Time—"Old Black Joe" By H. W. Gifford, Ardmore.

Great is the need and urgent is the call. All men, take heed; take care we do not fail. Tricks will be tried to crush our movement down. If we're with us we must march on and fear no town.

Chorus—
We're coming, we're coming united farmers' band.

For "Equal Rights" for one and all we take our stand. Right well we know the fight will be severe.

But when it's through we shan't be in the rear. If hand in hand, we see this battle through.

We'll have a cause for gladness and we shall not rue. We are well need some notice in the fight.

Lay well your plans, then forward to the right. Know no retreat, but stick to the advances.

This is the only way that we shall have a chance.

HERD LAW TO BE CHANGED

Uniform Act for Province

An act is passing through the Legislature at the present time known as the Domestic Animal Act, which will supersede the various pound ordinances, herd laws, etc., throughout the Province.

Maximum prices for pound fees have been fixed at \$12.

The new act prohibits grazing of animals on uninclosed lands other than lands owned by the actual owner of the animals.

Definition of Legal Fence

The definition of what constitutes a legal fence has been a source of many disputes and controversies. The description of what constitutes a legal fence under the new Act is as follows:

Any substantial fence not less than four feet high and consisting of:—
Rails or boards, not less than four in number, the lower one being not more than 18 inches from the ground, supported by upright posts not more than 12 feet apart.

Upright posts, boards and poles not more than six inches apart.
Barbed wire and a substantial top rail (the wires being not less than two in number and the lower not more than twenty inches from the ground), supported by upright posts not more than 15 feet apart.

Not less than three barbed wires as upright posts not more than ten feet apart, the wires being fastened to droppers not less than two inches in width and one inch in thickness, or to droppers consisting of willow or other poles nowhere less than one inch in diameter, or to wire droppers the said droppers being placed at regular intervals of not more than seven feet apart.

Not less than three barbed wires as upright posts firmly planted in the ground, said posts not more than 15 feet apart, and lower wires not more than twenty inches from the ground at any points.

Two posts spiked together at the top and resting on the ground in a shape on an inverted V and joined by a fence firmly nailed near the base, with three rails firmly secured on the one side of the inverted V, the top rail being not less than 18 inches from the ground, there being also firmly secured on the other side of the inverted V one rail not more than 20 inches from the ground.

Wires or wire general to posts not more than 16 1/2 feet apart.
Solid stone, cement, brick or wood.
Any river bank or other natural boundary sufficient to keep domestic animals out of any land.

Any fence within a municipal district declared to be a legal fence by a by-law for restraining animals at large.

A fence surrounding growing grain crops or grain crops in process of being harvested shall not be deemed a lawful fence unless the outside limit of the fence is situated at least eight feet from each crop.

A fence surrounding stacks of hay or grain shall not be deemed a lawful fence unless it is situated at least 20 feet from such stacks.

UNFURL YOUR FLAG AND

WAVE IT IN THE BREEZE

by H. W. Gifford, Ardmore.

Don't forget election day is drawing very near.

Don't forget they're watching us, our country far and near.

We'll not disappoint them, so we'll not without a trace.

And about hush for the farmers, Chorus—

Unfurl your flag and wave it in the breeze.

Don't be content to sit at home at ease. Our fight is on the side of right, the challenge now we utter.

And shout hurrah for the farmers.

When he's right a man can fight with energy and power.

When he's wrong he won't last long, but soon or late he'll crumble.

Mighty though our foe may be, their cruelties are setting ours.

Then shout hurrah for the farmers.

Equal right for one and all shall be our battle cry.

Special privilege shall fall, he is condemned to die.

Never we'll contented be until we've had him by.

Then shout hurrah for the farmers.

Why The Ford Is The "Universal Car."

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it is the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all the motors on earth are Fords.

Why?

Because the simplicity of the Ford car adapts it to every driver.
—because the power of the Ford car carries it wherever the driver wants to go.
—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

VIMY MEMORIAL CHURCH

A Correction

Two weeks ago we published an article with letter from the Committee in charge of the fund for the erection of a Protestant Church at Lens, France in memory of Canada's dead in the war. In the letter it was stated that Strathmore had as yet made no contribution towards the memorial.

We have since received a letter from the Secretary of the Committee stating that this letter was sent by mistake and that Strathmore had already contributed to the fund. A collection was taken up at the Union Church one Sunday evening in November last, when a sum of \$1,000.00 was collected and sent to the fund.

The letter concludes with a sincere apology for the mistake, and asking that it be given publicly. The amount of the memorial has not yet been raised throughout Canada, and any further donations will be welcome.

CONSERVATION OF SOIL FERTILITY AND SOIL FIBRE

—O—

Of general interest to the farmers of Western Canada is the publication relating to Conservation of Soil Fertility and Fertilty just issued by the Commission of Conservation. This pamphlet contains a series of papers and discussions by leading authorities on the problems of conserving the fertile farmer. Particular attention is paid to the control of soil drifting, the retention of moisture and to crop-rotation systems for drought areas.

The purpose of this publication is to place before the western farmers the results of the experimental work conducted by the Dominion and Provincial Departments of Agriculture, and by the Agricultural College, in their efforts to determine the various causes and methods of cultivation most suitable for the various prairie areas, particularly those which have suffered most severely from soil drifting and from drought.

Copies of this pamphlet may be obtained free on application to the Commission of Conservation.

Community Club Luncheon

(Continued from front page)

benefit of the children; Rev. Henry Montgomery, who delivered an interesting and humorous talk. In view of his approaching departure he thanked the people of Strathmore for their kindness to him, and wished the new club every success. Mr. E. Dobson pointed out some dangers that the club would run up against, but predicted that they would be triumphantly circumvented.

During the evening songs were given by Miss Sarah Miller and G. H. Patrick, both accompanied on the piano by Mrs. Howard, and these musical interludes were much enjoyed.

Vote of Thanks

Dr. A. W. Grein was twice more a vote of thanks to the speakers, at last, G.W.V.A. Ladies Auxiliary, etc. but in his absence the chairman presented this office, and a hearty vote of thanks was given to those who contributed to the success of the evening. An enjoyable meeting was then conducted by the singing of the National Anthem, the proceedings having lasted from 6 to 8:30 p.m.

The following day Mr. Valiquette just the executive of the Club, and gave them some further details as to their organization. The Club proposes a change of day for the week, with everybody helping, and several social and outdoor functions, including sports for the children.

CHANGES IN HAIL INSURANCE ACT

Changes in Hail Insurance Act. Provisions that any person or bank carried by a municipal district may be returned in any manner, subject to the approval of the committee of municipal affairs, is made in the bill to amend the Municipal District Hail Insurance Act which was reported by the committee of the whole house on Thursday afternoon and now awaits third reading. The bill also contains a number of technical amendments which have been found necessary to make the administration more satisfactory.

One clause provides that the maximum indemnity, in case of loss shall be \$500, \$1000 and \$2000 as the case may be. It also provides that any insured of land, now unknown shall be considered to be withdrawn from the operation of the act. Therefore the owner of the property shall not be required to report. It provides that any owner or occupant who fails to report a crop, may be charged with the inspection of such a crop by the secretary-treasurer of a municipal district.

When crops are insured which are grown on leased land, the owner or occupant shall have a first charge upon such a crop as a security for the payment of tax. The enforcement of this provision will follow the lines of enforcing The Thresher Lites Act.
